**Subject:** Finding and Notice of Violation to SA Recycling

Dear Elio Torrealba:

Enclosed is a copy of the Finding and Notice of Violation ("NOV") that the U.S. Environmental Protection Agency Region 9 ("EPA") is issuing to SA Recycling LLC. ("SA Recycling"), for violations of the Clean Air Act ("CAA"). Specifically, EPA finds that SA Recycling has violated and continues to violate Title V of the CAA, 42 U.S.C. §§ 7661a-7661f and federally-enforceable requirements in the San Joaquin Valley Air Pollution Control District ("SJVAPCD") portion of the California State Implementation Plan ("SIP") at its facility located at 2000 E Brundage Ln, Bakersfield, CA 93307.

SA Recycling may, upon request, confer with the EPA. SA Recycling may request a conference with EPA within ten (10) working days of the receipt of this NOV. The conference will afford SA Recycling an opportunity to present information on the specific findings of violation, the nature of the violations, and any efforts SA Recycling may have taken to comply and the steps you will take to prevent future violations. In addition, in order to make the conference more productive, we encourage SA Recycling to submit to EPA information responsive to the NOV prior to the conference date.

If you have any questions pertaining to this NOV, please contact Scott Connolly of the Enforcement and Compliance Assurance Division at (415) 947-4141 or [connolly.scott@epa.gov](mailto:connolly.scott@epa.gov), or have your attorney contact Denise Leong of the Office of Regional Counsel at (415) 972-3409 or [leong.denise@epa.gov](mailto:leong.denise@epa.gov).

Sincerely,  
Roshni
